

Lake Forest Academy

Our students normally carry five courses each year. *A minimum of 18 total credits over four years is required for graduation. In the four-year program, students should distribute these courses to satisfy the following departmental requirements:*

- **English:** 4 years (each year at LFA)
- **Mathematics:** 3 years (including at least algebra I, geometry, and algebra)
- **History, Sciences, Language :** 3 (or more) years in at least 2 of these subjects, and 2 (or more) in the third – including at least two full-year laboratory sciences. (This is the “3–3–2” requirement.)
- **Fine arts:** 1.5 years for all incoming freshmen
