

# Richards & Tremain Society

The following individuals have chosen to include Lake Forest Academy in their estate plans or have named LFA as a beneficiary of charitable trusts, estate agreements or life insurance policies.

The Richards & Tremain Society was founded in 1988 to recognize those generous members of the LFA community who have made provisions for the school in their estate plans. We are grateful to the current members of our Society for their thoughtful tribute to the Academy.

Through planned giving, donors can design gifts that will be most advantageous to both them and LFA. As you create your personal estate plans, you may be able to lower your tax rates with deferred-giving arrangements. Planned gifts, such as bequests, life insurance or other deferred-giving instruments, will ensure that LFA can continue to pursue its mission of educational excellence.

Questions? Please contact Director of Individual Philanthropy Garry Sloan at [gsloan@lfanet.org](mailto:gsloan@lfanet.org) or 847-615-3287.

*You should investigate the most advantageous deferred-giving plans by consulting your attorney, tax advisor or financial planner.*
